Profile.

Madeleine is a talented individual with a degree in web mastering and a strong interest in frontend development and frameworks. Her dedication to the field is evident in her ability to create visually appealing and user-friendly websites. Madeleine is well-regarded for her structured approach to work and her friendly personality, which make her an asset to any team. She is known for her meticulous attention to detail, ensuring that every element of a project is in its rightful place and functioning correctly. Madeleine values open communication and enjoys collaborating with others to achieve common goals. When she's not hard at work, Madeleine can be found staying active at the gym or spending time with her cat. Her well-rounded personality and balance between work and leisure make her a pleasure to work with.
