## Profile.

Madeleine is a talented individual with a Higher Education Diploma with specialisation in Informatics. She got a strong interest in frontend development and frameworks. Her dedication to the field is evident in her ability to create visually appealing and user-friendly websites. Madeleine is well-regarded for her structured approach to work and her friendly personality, which make her an asset to any team. She is known for her attention to detail, ensuring that every element of a project is optimised and functioning correctly.

Madeleine values open communication and enjoys working with others to achieve common goals. When not at work, Madeleine can be found staying active at the gym or spending time with her cat. Her well-rounded personality and balance between work and leisure make her a pleasure to work with.

---
